

## Teahupo'o

### Description

Teahupo'o is a popular surfing resort located on the southwest coast of Tahiti in French Polynesia. In stark contrast to its warm weather and natural beauty, terrible and dangerous waves form on the reef from distant groundswells. The best time to enjoy consistent, clean waves is usually during the southern hemisphere's winter. Even though the break is famed for its dangerous nature, it attracts the best surfers every year for the annual Billabong Pro Tahiti surfing competition.
